NO CHILD SHOULD GRIEVE ALONE

ABOUT US

Lionheart Camp for Kids (Lionheart) is a not for profit organisation specialising in children's bereavement programs that support grieving families in WA.

We are a community-based service focused on educating and empowering children, teens and their caregivers, following a death in the family, regardless of cause of death.

Our programs are run by bereavement professionals and caring volunteers. We offer a range of programs and services to families, as well as education sessions for schools and community groups.

Our aim is to ensure that no child grieves alone.

OUR GOALS

Lionheart's mission is to empower children and families to integrate grief into their lives in healthy and meaningful ways.

Our programs and services aim to:

- Help families understand the grief process
- Normalise grief as a natural part of life
- Identify the spectrum of emotions that can accompany grief and loss
- Offer a safe environment to share and express thoughts and feelings
- Strengthen adult's knowledge and skills in supporting grieving children
